

# Japan's First British Curriculum International Boarding School

## Where Children can be Children

Jinseki International School is Japan's first British style boarding school, providing an outstanding experience through four seasons of learning. We offer a dual language program that follows the National Curriculum for England enhanced through key elements of Japanese education and culture. Our pupils will also benefit from our unique location set in the world-famous region of the Setouchi Inland Sea, a hub for culture, arts, leisure and food. The New York Times ranked the Setouchi region #7 globally for places to visit in 2019.

### JINIS promotes a premium boarding school experience through:

- Outstanding learning through an enhanced dual language experience
- Preparation for the best UK and US boarding schools
- Unique facilities including its own farm, horse riding, skiing and beach facilities
- Real-life learning experiences to prepare pupils for the future
- Additional mother tongue language support
- A curriculum through which thoughts and actions are inspired by the natural world
- Embracing the five senses in everyday life
- Supporting and encouraging pupils to independently follow their interests and passions to enrich and love learning
- Promoting a personal moral compass that is culturally aware and sensitive
